John, I think I put Kansas City, Kansas on this application but it should be Kansas City, MO. Do you want me to make the change or is it easier if you do that? A

Granted.

I can't guarantee that future STAs will be as fortunate. STAs should be given at least two to three weeks of processing time.

Subject: STA Application

Hi John. I was away on vacation when an STA request came across my desk. I have filed it today - the number is 0393-ex-st-2008. This is for a demo at the APCO show (August 3) using frequencies that Ericsson has received STAs for before. I hope you have time to process this. Sorry for the short notice. A
