Subject: Request for Info - STA File #0624-EX-ST-2006

Message:

Is there any reason you can't use the same frequencies requested for 0574-EX-ST-2006? If you can, I won't have to coordinate with WTB and I can grant at the same time as 0574-EX-ST-2006, which should be in the next 10 days or less. Otherwise, I will have to coordinate with WTB and most likely won't get all my responses back until the day before you need it.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 23, 2006 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
