Re: ERS International, Inc.

Application for License Renewal

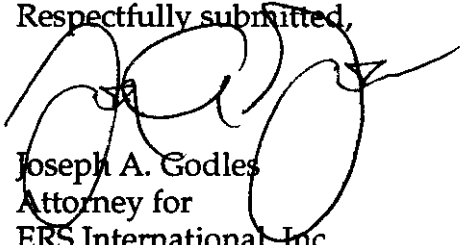

Dear Sir or Madam:

Submitted herewith on behalf of ERS International, Inc. ("ERS"), is an application on FCC Form 405 for renewal of ERS's authority to operate the above-referenced station in the Experimental Radio Service. Also submitted herewith is a check in the amount of \$45.00, to cover the requisite FCC filing fee.

In a recent Report and Order, the FCC determined that applicants should be allowed to request a five-year licensing term in the Experimental Radio Service.¹ Accordingly, ERS requests that the Commission give consideration to issuing the renewal of the above-referenced experimental authorization for a period of five years.

Please direct any questions regarding this matter to the undersigned.

Respectfully submitted,

Joseph A. Godles
Attorney for
ERS International, Inc.
