Letter Dated November 8, 1994

Federal Communications Commission
Experimental Radio Service
P.O. Box 358320
Pittsburgh, PA 15251-5320

Statement of Drug Denial

Exxon Communications Company certifies that as a non-individual applicant, no party to the application is subject to a denial of federal benefits, including FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. Section 862.

The Commission's considerate response is appreciated. Please call Barbara Tyer at 713-656-1827 if additional information is needed.

Very truly yours,

David E. Newman
