Experimental Radio Service
Application for New Radio
Station Authorization
Locations within the
Continental U.S. and
Territories

Federal Communications Commission
Experimental Radio Service
P.O. Box 358320
Pittsburgh, PA 15251-5320

Gentlemen:

Attached are eight FCC Forms 442 with Exhibit 1 applying for authorization to operate land-based ship earth stations. The SES land-based terminals will be used at temporary locations for communications during the exploration for petroleum in remote areas not served by a common carrier.

Also attached is Exxon's bank draft for \$360 in payment of the filing fees of \$45 each.

Please call Barbara Tyer at (713) 656-1827 if you have any questions or need additional information.

Very truly yours,

Curtis K. Riddick
for David E. Newman

Gentlemen:

Attached are two FCC Forms 442 with Exhibit 1 applying for authorization to operate land-based ship earth stations. The SES land-based terminals will be used at US locations for communications during an event of emergency caused by Exxon operations for North and South American emergency response.

Also attached are Exxon's bank drafts for \$45 each in payment of the filing fees.

Please call Barbara Tyer at (713) 656-1827 if you have any questions or need additional information.

Very truly yours,

Curtis K. Riddick
