Gentlemen:

Attached is an FCC Form 442 with Exhibit 1 applying for authorization to operate a land-based ship earth station. The SES land-based terminal will be used at temporary locations for communications during the exploration for petroleum in remote areas not served by a common carrier.

Also attached are FCC Form 155 and Exxon's bank draft for \$35 in payment of the filing fee.

Please call June Riddick at (713) 656-1827 if you have any questions or need additional information.

Very truly yours,

D E Newman
