Subject: Request for Info - File # 0012-EX-CM-2019

---

Message:

The purpose of this modification is to provide additional locations and frequencies in support a U.S. Government research and development contract. I am not at liberty to discuss the details of this program. However, should you require additional information the U.S. Government point of contact's information can be found on the .pdf attachment. Thank you and please take care.
