Re: Experimental Application File No. 4479-EX PL-94

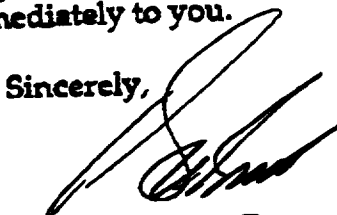

Dear Ms. Fowler,

I have received your letter dated March 12, 1997, in which I noticed my application to use the Inmarsat equipment is still pending.

I would like to inform you that I wish to continue prosecuting my application with the FCC.

I am in contact with Comsat Mobil Communications to obtain the letter that you are requesting to resume my application, as soon as I receive it from them I will forward a copy immediately to you.

Sincerely,

Fernando Diez Barroso

Dear Mr. Marrangoni,

This is in reference to your letter dated June 26, 1997. We apologize for the delay of our reply, due to our relocation. Enclosed is a letter with our new information.

We contacted Comsat Mobil Communications. Since we will be using the device outside the U.S., that firm told us we do not need to apply for FCC authorization. Nevertheless we want to comply with your disposition, and would like to know if we still need your authorization.

We will be looking forward to hearing from you soon.

Sincerely,

Manuel Hernandez
