Subject: Request for Info - File # 1136-EX-ST-2016

Message:

I need to modify the frequency of operation on the STA application before DoD MIDLANT will concur with the coordination. I tried to go and modify the application but it will not let me. It says that it is in final status. Can you put the application back in a status that I can modify it?

Thanks,

Leon (Lee) S. Ciereszko, III
