Doug,

Re- WPT1807 University of Texas at Austin.

I been in contact with KUT-FM (Dana Whitehair) and KLRU-TV (David Kuipers) at the University of Texas and KUT-FM doesn't use wireless mics and KLRU-TV is not associated with Univ. of Texas. There is a college tv station- KVR9 which I have been trying to get in contact with. I've left voice messages for Frank Abernathy and Dan Knight and I am waiting for callbacks.
