Message:

We are working to track down the licensee of WPOM222 and WLJ625, Cowsert Family, LLC. The contact info on file is out of date. We have spoken with the SBE Coordinator, Mike Moravec, and he doesn't have any information about these STLs. We did notice that WLJ625 is listed as expired on August 1, 1998. In any case, we will send someone to the addresses on file to see if we can find a contact.

We will file the requested information as soon as we have it.
