Subject: Request for Info - STA File # 0227-EX-ST-2005

Message:

1. The "Why STA Is Necessary" field says that the STA is to operate a prototype at Ft. Leavenworth, KS, from May 15, 2005 to May, 30, 2005, yet the Start Date is listed as June 1, 2005.
2. This application also lists locations at Bedminster, NJ and New York, NY. If this STA is only for the demo at Ft. Leavenworth, then the other locations do not need to be on the STA since they are authorized by File # 0011-EX-ML-2003.
3. There are no frequencies listed for the Ft. Leavenworth location.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 03, 2005 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
