Request for Info - STA File # 0311-EX-ST-2002- Reply

---

Message:

Flarion hereby requests that STA application, file number 0311-EX-ST-2002, be withdrawn. That STA was to demonstrate Flarion's Flash-OFDM technology in Anaheim, CA. Flarion has been unable to coordinate frequency usage with the SBE coordinator, and thus will not be making the proposed demonstrations.

Thank you for your consideration in the matter,

Barclay Jones
