Message:

Please cancel our application, FCC File# 0017-EX-ML-2005. It was inadvertently submitted and the fee paid, whereas an application for Special Temporary Authority (STA) should have been submitted instead. The STA was subsequently submitted (0039-EX-ST-2005) and the fee paid. If possible, please refund the \$55.00 payment for the first application. Responses to your questions regarding our system parameters will be forthcoming in another correspondence. Thank you for your attention.
