DISMISSED-WITHOUT PREJUDICE

Dear Bradley Goldring,

This refers to application, File No. 0065-EX-PN-2018, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. The previous grant for this application is cancelled because now the company said that the requested area for the experiment is not owned by Ford's company. It does not meet the criteria under Rule part 5.304. The application is dismissed as moot.
