

**SUPPLEMENT TO APPLICATION FILE
PURSUANT TO SECTION 5.77 OF THE FCC'S RULES**

Call Sign WK2XQP; File No. 0079-EX-CM-2020

Pursuant to Section 5.77 of the FCC's Rules, Ford Motor Company is submitting this supplement to Application File Number 0079-EX-CM-2020 to describe the following permissive changes to the equipment that the licensee will operate pursuant to the authority of its conventional Experimental License WK2XQP.

In addition to the equipment currently identified in the application, the licensee will install and operate the following equipment:

Manufacturer: Ford Motor Company

Model Number: N/A

Quantity: 300

Experimental: Yes

Operation of this equipment will comply with the technical parameters and conditions of Call Sign WK2XQP and the FCC's Rules for the Experimental Radio Service, including the conditions of Section 5.77(a), namely: (1) the operating frequency will not be permitted to deviate more than the allowed tolerance; (2) the emissions will not be permitted outside the authorized band; and (3) the ERP/EIRP and antenna will comply with the license and the regulations governing the same.
