Please answer the following questions:

- 1) How does your stated purpose of operation fall under the FCC's Part 5 Experimental Rules?
Regular use of satellite terminals is licensed under Part 25 of the FCC Rules.
- 2) Is this earth station in full compliance with all technical standards as defined in Part 25 of the FCC's Rules?
- 3) What satellites are you using?
- 4) Is this application in any way related to a recently filed similar application for Global Communications Solutions?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of December 14, 2000 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
