Subject:

Request for Info - STA File #0095-EX-ST-2007

Message:

Dear Mr.Douglas Young,

As per the correspondence,

- 1) I have added the emission and bandwidth data(i.e 5M00F7W)
- 2) we don't need a band, we just need a spot frequency(2124.9 MHz - 2129.9 Mhz)

This application is pretty much same to our old call sign WC9XDN, i have added that as an attachment.

Thank you very much for your time.

Regards
-Subash
