Mr. Sanford,

Based on US Military Association Group coordinator requested, your company needs a contract number to provide "contractual" work for the DOD and the DOD needs to provide a Stage 4 certification to develop this DOD system in non-government bands, and once the contract related work is done, the DOD needs to obtain an assignment from NTIA to continue using it. Without providing the requested information above, we are unable to process your application.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 02, 2014 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
