DISMISSED-WITHOUT PREJUDICE

Dear Mark Sanford,

This refers to application, File No. 0503-EX-PL-2014, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. The US Military Association Group (MAG) non concurs to grant this application. The Army MAG representative has stated that in order for Department of Defense (DoD) to support the operation of the GeoSAR, it must be in support of a valid DoD contract. The Army has determined there is not a valid MDA contract in direct support of a DoD mission as requested.
