Dear Mr. Barry Hackworth:

Please address the following:

Why is a new STA application for the same experiment being submitted?

Why is this request for approximately a month whereas the previous request was for approximately three days?

Can you choose and apply for three days now as opposed to requesting a month to perform this experiment?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of December 21, 2004 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
