Office of Engineering and Technology:

As of April 12, 2021, the transfer applications pending before the other bureaus have all been approved. Accordingly, the parties request prompt consent to the transfer of control application currently before the Office of Engineering and Technology (OET). See OET File No. 0005-EX-TU-2021.

The International Bureau approved the Form 312 transfer of control application on April 12, 2021. See IBFS File No. SES-T/C-20210222-00371. The Wireless Telecommunications Bureau consented to the associated Form 603 transfer of control applications on March 5, 2021. See Transfer of Control of Licensee Applications, Public Notice, Report No. 15730 (Mar. 10, 2021).

Please advise if OET requires any additional information.
