Subject: Request for Info - File #0180-EX-ML-2015

Message:

1. Are you sure the exhibit you attached to your filing should be marked confidential? None of the exhibits for the previous 14 applications filed under this call sign were marked confidential. If there is something that should not be released to the public, it should be separated out into an exhibit of its own, with everything that is not confidential in an exhibit that is viewable to the public. You then must submit an item-by-item justification for the confidentiality request to answer the nine subsections of Part 0.459(b) of the FCC's rules. All non-confidential material must be viewable by the public, including the confidentiality justification.

2. The contact info for the person who can answer questions about the application is listed as Candice Holmes with her phone number but Myline Seybert's email address.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 14, 2015 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
