Subject: Request for Info - File # 0532-EX-CN-2020

---

Message:

1. WK2XUS was/is specifically for our NASA SIO demonstration out of GB and this new request (0532-EX-CN-2020) is the license we plan to maintain long-term to operate CNPC at all of our FOFs.
2. FAA frequency coordination requests are in progress. NG T numbers will be provided when they become available.
