Subject: Request for Info - File # 0731-EX-CN-2025

---

Message:

In order to proceed with the evaluation of your application, we kindly request the following clarifications and additional information:

- 1) Please confirm whether the platform is an Unmanned Aerial Vehicle (UAV) or a manned aerial system.
- 2)

provide the maximum altitude of flight (in feet AGL) during operation .

- 3) provide the Buzzer Point of Contact (POC)

.

- 4) provide details regarding RF radiation

Area of Operation

5) In your description, you mentioned a 300 km area of operation; however, in the "Radius of Operation" field, you entered 463 km. Please clarify which value is accurate and ensure consistency across the application.

6) Operations under Part 5 must be conducted strictly on a non-interference basis, in accordance with Section 5.85(a) of the FCC rules. This means your operations must not cause harmful interference to existing authorized services and must cease immediately if such interference occurs.

To ensure compliance, we kindly request that you provide a detailed interference mitigation plan.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 18, 2025 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
