Message:

Dear Mr. Neil Hamill:

Please clarify the purpose of this experiment. Are the communications being used to control a robotic device? Are all mobile units land mobile or are there aeronautical mobile as well?

Please report the state, Texas or New Mexico, in which this experiment is being conducted (The reported geographical coordinates appear to lie in southern New Mexico, but Fort Bliss also appears extend into El Paso, Texas as well).

Since the experiment is being performed under a contract, please supply the U.S. Army contract number.

Also, please submit a justification for the need of a 48-month license as opposed to a 24-month license.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 22, 2002 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
