Subject: Request for Info - STA File #0263-EX-ST-2006

Message:

Not all of my previous questions have been answered. I need the dates and locations of your scheduled demos. We are not willing to approve an open-ended CONUS STA. Can you operate in 14.2-14.5 GHz only? In addition, what is an iDirect hub? Does it have anything to do with points of communication?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 21, 2006 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
