I apologize but I thought I had already provided the requested information via attachments to the original application. However, I was not able to find these exhibits in the on-line system files. It is possible that I didn't complete the attachment process.

In any case, I have added these two (2) attachments again to this application.

Please let me know if these exhibits do not show up in the file or if you have any other questions.

Thank you very much.

Regards,
Gil Estrella
