Subject: Request for Info - File #0369-EX-PL-2014

Message:

Hi Officer,

About previous filing 0364-EX-PL-2014, we were told that the FRN used in this filing (0005072848) is for testing purposes only. Therefore, we created a new FRN account earlier this morning, filed an identical request, and paid for it using GE corporate credit card. If possible, please discard this previous filing. Sorry for the confusion.

Best,
Ching-Ling
