Subject: Request for Info - File #0114-EX-ML-2014

Message:

Last time you filed, you only requested 87.5 MHz. This time you have requested 87.5-108 MHz, the entire FM band and part of the TV band. I am sure we will not be able to approve the entire band. You should amend your application to only select channels that are not used in your area.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 23, 2014 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
