Subject: Request for Info - File # 1149-EX-ST-2026

---

Message:

The final coordinates for the radar location are: 40 08 22 N, 88 36 40 W. The application has been amended with the final coordinates of the testing location. This location is inside of a closed-access operations and maintenance facility that is not generally accessible by the public. Access will be limited such that nobody is able to approach the antenna within 66 meters while the radar is in operation.
