Subject: Request for Info - STA File #0764-EX-ST-2017

Message:

As you have informed us that the 5100-5250 MHz band and the 5850 - 5900 MHz band are occupied, we have narrowed our requested frequency band to 5250 MHz to 5850 MHz to address this.

Thank you and please let me know if you have any questions or concerns.
