

REQUEST FOR EXPEDITED PROCESSING

During the week of January 15-19, 2018 at Avon Park Air Force Range in Avon Park, FL, the Georgia Institute of Technology – Georgia Tech Research Institute – is supporting a test/training exercise for DARPA/TTO, under the direction of Program Manager J.C. Lede. More than 15 personnel, test equipment and range resources have been scheduled to participate in this activity.

Accordingly, we are requesting that our application be expedited. Thank you for your consideration and please let me know if there are any questions or concerns. Thank you.
