DISMISSED-WITHOUT PREJUDICE

Dear Dr. Gregory D. Gibbons,

This refers to application, File No. 0550-EX-PL-2006, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. Processing of the application cannot go forward without documented, successful coordination with an FAA regional office. More than six months has passed since this office first informed the applicant that this coordination was necessary and no documented successful coordination has been received. The applicant is urged to wait until successful FAA regional coordination has been completed before re-filing for the facilities requested in the instant application.

Responses to this correspondence must contain the Reference number : 7820

Sincerely,

A handwritten signature in black ink, appearing to read "James R. Burtle", written over a horizontal line.
