Request for Info - STA File # 0582-EX-ST-2005

---

Message:

0288-EX-PL-2005 was filed in error, but we could find no instructions on your Website about how to cancel it. We really only need an STA extension for 6 months at the Los Gatos site. New STA requests will be filed for future beta test sites, and are not anticipated to be needed for more than 6 months each.
