Special Conditions:

- (1) The station identification requirements of Section 5.115 of the Commission's Rules are waived.
- (2) Transmissions on 6.025 MHz and 12.025 MHz are not permitted. Harmful interference to international broadcast stations is anticipated.

Special Conditions:

- (3) This authorization is issued for the express purpose of conducting experimental operations described in the related application and required by Office of Naval Research contract no. N00014-15-C-0010. The use of this radio station in any other manner or for any other purpose will constitute a violation of the privileges herein authorized. Except as subsequently authorized by the Commission, this radio station shall not be operated after the expiration date of the contract designated in the related application and enumerated above.
