Subject: Request for Info - File #0619-EX-ST-2018
Attachments: Interference Guide902-928MHz.pdf

Importance: High

Address the following items:

1. Provide the EMC analysis in accordance with the attachment.
2. This is not an amateur application, therefore the applicant should change the Nature of service to something other than EA and check the 4.4 box in the SpaceCap.
3. Change the name of the satellite to something other than NONGEO AMATEUR SAT and change the direction arrow of the downlink beam.
4. Change the Earth station class of station and provide the Earth station coordinates in the associated Earth station section of the SpaceCap

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 14, 2018 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
