Subject: Cancellation of Experimental license application - File No
0013EXP02003

Please cancel the Experimental license application (FCC File #
0013EXP02003) for Remote Telemetry units as we have received the
permanent license modification from FCC for the same. Here is the detail
about the license modification recieved:

The license modification for Remote telemetry units was granted to
Globalstar USA, LLC.

The Call Sign is E970381, and the FCC File Number for the modification
is SES-MOD-20021010-01758.

Please feel free to contact me if you have any other questions.

Thanks,
