Experimental License for Call Sign WB2XAE

Dear Sir or Madam:

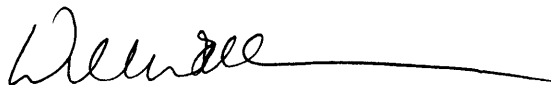

In conjunction with an electronic filing made on behalf of Globalstar, L.P., on Tuesday, February 26, 2002, for renewal of its experimental license for Call Sign WB2XAE, please find an original and one (1) copy of a Form 159 and a check in the amount of \$50.00, made payable to the Federal Communications Commission to cover the necessary filing fee.

The renewal file number is 0036-EX-RR-2002, and the Form 405 confirmation number is EL12037.

An additional "File Copy" and a self-addressed, stamped envelope are also enclosed. It is requested that this "File Copy" be date-stamped and returned to me immediately in the self-addressed, stamped envelope.

Should there be any questions regarding this matter, please communicate with this office.

Very truly yours,

William D. Wallace
