

Please withdraw this application

Applicant:

Globalstar, Inc.

FCC ELS File Number:

0825-EX-ST-2021

We respectfully request that this STA Application be withdrawn and dismissed.

This was for a Companion License for the WVSAT mission.

Globalstar originally committed its support for the WVSAT mission on 5/21/2021 (FCC File 0825-EX-ST-2021). The launch vehicle and date were changed, requiring WVSAT to file a new Form 442 License Application request.

The WVSAT mission remains the same. However, this Globalstar application, for a STA, is no longer the correct type for being a Companion License for the new WVSAT Experimental License, so we request that it be withdrawn.

It is replaced by a separate filing, FCC File 0555-EX-CN-2021.
