Dear Mr. Kennedy:

This is in response to your correspondence dated March 11, 2002 (Reference Number 1773).

Although Globecom Systems, Inc. (GSI), has conducted several market studies under experimental license WA2XQL in the past, GSI does not anticipate any further market studies. As a point of clarification, GSI also owns all equipment used and necessary in the operation of WA2XQL. If you have any additional questions, please contact Jason Roberts at 202-728-0400.
