Requests for Special Temporary Authority for New Experimental Radio
Authorizations

Dear Mr. Young:

Pursuant to your conversation with Joe Howard of this office, enclosed please find a copy of the date-stamped copies of two Requests for Special Temporary Authorization to test and demonstrate earth stations over the INMARSAT-B satellite. As you can see, one Request is for a fixed system and the other Request is for a mobile system. These Requests were filed February 2, 1998 and we would appreciate expedited consideration of the Requests.

Please contact the undersigned with any questions.

Sincerely,

Michelle A. McClure
