Request for Info - STA File #0771-EX-ST-2006

---

Message:

When are the requested start and end dates?

☐ Requested Start Date ☐ - 11/1/06

☐ End Date ☐ ☐ ☐ - 4/30/06

How much longer do you intend on operating?

☐ 6 months trials - in fact our trials and evaluations are only going to begin now, with administrative processes and delays in getting test evaluation equipment which is arriving only this week, all trials got ☐ delayed and yet to be started.

(It was a Catch 22 situation - we could get trial eqpmt only when we got the STA. It took 6 months after we got the STA to get trial eqpmt in our hands).
