Subject: Request for Info - File # 0747-EX-ST-2015

Message:

Your application states that you are interested in studying the feasibility of using the 14 - 14.5 GHz band for terrestrially based broadband service to airborne aircraft, yet you have requested 14.417 - 14.907 GHz. The spectrum above 14.5 GHz is allocated for federal government use and would need to be coordinated with NTIA. Explain your frequency selection.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 07, 2015 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
