Subject: Request for Info - STA File #0468-EX-ST-2008
Importance: High

Mr. Gross:

I left you a voice mail yesterday detailing the information below. It is of the utmost urgency that you respond ASAP. If we don't receive this info by close of business today, it will be very difficult to get your request for STA processed by your requested start date of 09/16/2008.

NTIA requires compliance with Section 8.3.28 of their Manual of Regulations and Procedures for Federal Radio Frequency Management <http://www.ntia.doc.gov/osmhome/redbook/8.pdf> for use of GPS re-radiators. You may ignore the part about it applying to federal agencies; it also applies to non-government entities. You may also ignore Items 2, 3, 4 and 8 of Section 8.3.28. Responses to the rest of the items must be supplied to us so that we can properly coordinate this request with NTIA.
