Experimental Radio Service
P.O. Box 358320
Pittsburgh, PA 15251-5320

Sub: Experimental Station License, Renewal of-

Gentlemen:

In accordance with the requirements of FCC rules, Part 5, we herein submit FORM# 405 dated 1-24-97 for renewal of our license, call sign KF2XCW. We further submit Fee Remittance advice form 159 with AI/GSM check in the amount of \$45.00.

The renewal of this station license is required for the express purpose of conducting experimental operations under U.S. Government contracts.

If any additional information is required, please do not hesitate to contact the undersigned.

Sincerely,

ALLARD INDUSTRIES, INC.
Granite State Manufacturing
