Subject: Request for Info - File #0013-EX-PL-2013

Message:

You changed your frequency request from 1990-2485.5 MHz to 1900-2110 MHz and 2450-2483.5 MHz. I assume the lower band is a typo and should be 1990-2110 MHz because 1900-1990 MHz is in the PCS band. Is this correct?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 05, 2013 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
