Att: Mr. Frank Wright

February 06, 1995

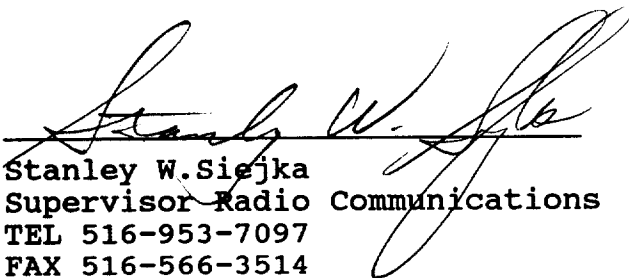

Enclosed is a FCC 405 renewal application for radio station **KF2XEE** in the Experimental Radio Service. No changes have been made to the station thus the environmental impact statement are current.

I am awaiting a letter of frequency coordination from the FAA Eastern Region in support of this renewal application. I will forward this FAA coordination letter as soon as it is received.

A company check int the amount of \$45.00 is attached to this request for application filing fee.

Respectfully,

GRUMMAN AEROSPACE CORPORATION
