Re: Name change on Special Temporary Authority

The company name on the above-referenced Special Temporary Authority (STA) authorization is listed as "GTL." The company's legal name should be listed as GTL Enhanced Services, LLC, which is the name showing on the FCC Registration Number (FRN) associated with the STA authorization. Below is a screenshot from the FRN database showing the correct company name.

Displaying Records 1 (of 1)	
<u>FRN</u>	<u>Registrant</u>
<u>0028836682</u>	GTL Enhanced Services, LLC

Please update the STA authorization to correct the legal name of the company to GTL Enhanced Services, LLC.
