Message:

Dear Mr. K.V. Viet:

As stated in previously submitted exhibits, this experimental license is for testing the Model 800 cellular base stations. Please verify that this is the system being tested and describe in detail the quantity and names of the units that constitute one system and state total number of systems being requested.

Are employees or subscribers being used to test these systems? If subscribers, what contractual or financial arrangement does Harris Canada Incorporated have with those subscribers?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 31, 2002 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
